

EN User and Maintenance Instructions

Product Information

The rug is made of eco-friendly material with a non-slip backing that ensures stability and safety during use. Sublimation printing guarantees durable, vivid colors and allows for beautiful and detailed patterns. Thanks to its softness, the rug is extremely gentle on the skin, providing comfort and pleasant use every day.

Application

The soft-fiber rug is ideal for use in bathrooms, bedrooms, and children's rooms. With a wide range of designs and colors, it fits perfectly into any room where a soft, pleasant, and comfortable surface is needed.

Usage Instructions:

- Before use, ensure that the surface where the rug is placed is dry and clean to maintain its non-slip properties.
- Keep the product away from open flames and sources of high temperature.
- If the rug becomes excessively wet, leave it in a dry, ventilated place to fully dry in order to avoid material damage and preserve its durability.
- Upon receiving the product, check it for any defects or damage. If needed, contact the supplier.

How to care for the rug?

Washing: Hand washing in lukewarm water with a mild detergent is recommended. For machine washing, use gentle cycles. Do not use bleach or chemicals that may damage the color or fabric.

Drying: Do not tumble dry the product, as it may negatively affect the color and fabric of the rug. The product is sensitive to sunlight and should be dried in the shade or indoors to prevent color fading.

IMPORTANT! Follow safety precautions when using the product.

Ensure the product is properly placed and does not shift during use to prevent the risk of slipping. Avoid contact with fire and high temperatures, which may melt the polyester fibers. After use, dispose of the product in accordance with local regulations for plastics and textiles. Failure to follow these guidelines may result in product damage or a risk of injury to the user.
